

Utilisateur du domaine qui devient
administrateur de son poste :

Ouvrez le menu windows, ensuite saisir : dsa.msc

Choisissez l'ordinateur dans lequel vous voulez que l'utilisateur devienne administrateur.

The image shows a Windows XP-style dialog box titled "Verdier-PC Properties". It has a blue title bar with a question mark icon and a red close button (X). Below the title bar is a tabbed interface with the following tabs: "General", "Operating System", "Member Of", "Delegation", "Location", "Managed By", and "Dial-in". The "General" tab is currently selected. Inside the "General" tab, there are several input fields and buttons:

- Name:** A text input field with a "Change..." button below it, and "Properties" and "Clear" buttons to its right.
- Office:** A text input field.
- Street:** A text input field with a list box (up/down arrows) to its right.
- City:** A text input field.
- State/province:** A text input field.
- Country/region:** A text input field.
- Telephone number:** A text input field.
- Fax number:** A text input field.

At the bottom of the dialog, there are four buttons: "OK", "Cancel", "Apply", and "Help".

Choisissez votre utilisateur.
